ML TARIQ JAMEEL: TOLERATING THE KUFR OF THE SHIAS

What happened? MI Tariq Jameel emulates some of the despicable and miserable practices of the itnaa ashari (twelver) Shias and is well-known to encourage Sunni-Shia unity. He also makes statements that play down the danger of shia beliefs. He is on record making reckless statements in this regard.

In South Africa, on his last visit he said “Make Shiasm your vest, and the Ummah your garment. Make Sunnism your vest and the Ummah your garment.

“Let Sunnis remain Sunni and let the Shias remain Shia”

This is, in fact, a veiled plot of the shia. They want to be left alone to spread chaos and confusion. Insha Allah, with the help of Allah Ta’ala, they will fail miserably.

Likewise, he said: “If Sunnis say that shia are kaafir and shias say Sunnis are kaafir, then who will go to Jannah?”

Is he suggesting that the Shia, despite their beliefs of Kufr, will be rewarded with Jannah?

The Shias employ all means of deception to be included in the Ummah of Islam, but they are actually the progeny of the Munaafiqeen (hypocrites), who they resemble in every way. They have nothing to do with Islam.

Their wretchedness and deviation surpass human expression. May Allah Ta'aala protect us!

- They believe in Imaamah (a kufr belief that equates others with the Ambiyaa alayhimus salaam and gives them the right to change and alter Shari'ah).
- They swear at and slander the Mother of the believers, our Mother, the pure, chaste, noble and honourable Sayyidah Ayesha Siddiqah RA.
- They consider it a virtue to cause harm to Muslims.
- Cursing Abu-Bakr RA and Umar RA is among their special acts of devotion.
- They claim that all, except a handful of Sahaba RA, became murtad (Na'oozhu Billah) after the demise of Sayyidina Rasullullah sallallaahu alayhi wa sallam.

These are some of their widely accepted beliefs. According to authentic Shia literature, a person who doesn't accept beliefs like Imaamah is not even regarded as a Shia.

The nauseating claims of the shia demand that we

totally distance ourselves from them. What excuse will we offer to Nabi sallallaahu alayhi wa sallam and the Sahaba Radhiyallaahu anhum on the Day of Qiyamah for associating with people who had open malice for them?

Sadly, MI Tariq Jameel seems to find comfort in emulating them and giving them prominence. He has developed an appetite for displaying affection towards their scholars and is often seen mixing with them.

MI Tariq Jameel is from Pakistan where many Ulama have given their lives in defending Islam against the wicked shias. The slaughter of Sunni Ulema by the vile shia is well documented and not hidden from anyone.

It defies belief that a scholar would encourage close relationships with the Shia.

It's hardly surprising that the head of the Shia community in South Africa attended his program during his last visit!

In addition, by saying: "Shias should remain Shia and Sunnis should remain Sunni," he shows a tacit approval of the Kufr beliefs of the Shia. Ulama clearly explain that being happy with Kufr is in itself an act of Kufr. May Allah protect us. Aameen

FOOD FOR THOUGHT

Would you endorse someone who shows affection and respect to people who hate the Sahaba RA. Is our love for Sayyidina Rasulallah sallallaahu 'alayhi wa sallam so fickle that we are not moved by what MI Tariq Jameel is doing and instead choose to defend and promote him?

Beware of the veiled deception in his talks and actions. To attend his lectures, or to even listen to the recordings exposes you to his deviation and makes you vulnerable to misguidance.

Would you risk waking up on the day of Qiyamah with the enemies of the Sahaba RA?

May Allah Ta'aala protect us from misguidance at the hands of deviated scholars.
